

Hello and welcome!

Thanks for scheduling an orthodontic consultation with me, a *Specialist in Orthodontics & Dentofacial Orthopedics*. Please review this document for your registration instructions and consultation orientation.

NOW is the time to register!

I appreciate your willingness to register right away.

Locate the orange box that corresponds to the patient's situation, then click the link(s) to open the form(s). Or, find our forms where they live - on the [Patient Forms](#) page of [DrTOrthodontics.com](#). My staff and I will be on the lookout for your submissions.

Our online forms are HIPAA compliant. You may complete them on any device with an internet connection and a browser. After successfully submitting a form, a "THANK YOU" message will appear on your screen, and you will receive a confirmation email.

- ✓ CHILD OR TEEN (less than 18 years)
- ✓ one or more dental plans

Who is invited to the consultation?

An orthodontic consultation is special time scheduled with me. It is a great opportunity for anyone involved to listen directly to my recommendations and get their questions answered. Consider who you would like to join you and invite them to attend the consultation!

Will Dr. Tsintolas evaluate other family members at the scheduled visit?

Yes! Busy families appreciate this time saver! Let us know your thoughts before the consultation and we will make it happen. AN IMPORTANT NOTE FOR PARENTS: The American Association of Orthodontists and I recommend an [orthodontic evaluation by age 7](#). If I evaluate a child who isn't yet ready for treatment, I monitor his/her growth and development at no cost. If I recommend treatment, I will do so only when the timing is appropriate.

Your visit and experience are important! I look forward to presenting what my practice and orthodontics can do for you. You can reach us at [301-948-7513](tel:301-948-7513).

Sincerely,

Chris E. Tsintolas, D.D.S., M.S.

Specialist in Orthodontics and Dentofacial Orthopedics

Member American Association of Orthodontists

Fellow of the American College of Dentists
